STATE CIVIL SERVICE COMMISSION

Public hearing on the appeal of ANGELIQUE GABRIEL vs. LDH - OFFICE OF PUBLIC HEALTH; Docket No.: S-19054. Ronald L. Wilson is representing the employee. Marianne Wise Fletchinger is representing the agency.

Subpoenas issued from the prior hearing date are still valid for the new hearing date. Parties are responsible for communicating the new date and location to their witnesses.

A continuance of the hearing will only be granted based on a written motion and accompanying order, with documents attached supporting the reason you are requesting a continuance. It will only be granted for compelling cause or to serve the ends of justice. Obtaining an attorney at the last minute is not compelling cause. If you are given a continuance and your appeal is ultimately granted, the Commission or the Referee may deny you any compensation for that portion of time lost because of the continuance. See Rule 13.18(b). We accept all filings by email to scs-appeals@civilservice.la.gov. If there has been a continuance issued for a prior hearing date, new subpoenas must be requested by parties for the hearing dates in this notice.

NOTES:

The elevators in the front of the building are being repaired. Use the elevators at the rear of the building (closest to the lake). Take the elevators to the 4th floor.

All exhibits to be introduced during the hearing must be brought to the hearing on a USB drive.
