

CPTP Training Coordinator Webinar

November 7, 2017

CPTP Overview of what CPTP is and is doing

- Current flowchart
- Staff organizational changes
- Competency projects
 - How those are being used by agencies
 - Developing job interview questions & activities
 - Crafting development plan
- Open classes, both ILT & WBT
- Expanding our offerings of projects:
 - Infographics and job aids
 - Motion graphic videos
 - Live action videos
 - Customized tech development
 - Customized instructional development
- Revision of ILT materials/courses
- ROI/Needs Assessment/Competency Validation

UPDATES:

Cont. Ed. quals question:

- Can employee take PY 15-16 or PY 16-17 Cont. Ed. course and earn the CE qual after the PY has ended?
 - Can take course, but will get course qual only; will NOT get CE qual after 6/30 of that PY

Pro Trainer Program

- First two participants completed the Pro Trainer Capstone Program

Webinar Format

- Are the webinars meeting your needs?
- What changes you would like to see?
- Any information you would like to share?
- What do you think about the webinar dropping down to every other month?
