## TC Mailbag

"I am not able to take the Core Capstone, can I just take the Group 1 instead?"

A: No. These are 2 different programs and 2 different classes. They are not interchangeable. You must take both. Core is for 1 year; Group 1 for 2 additional years; and Group 2 is for 1 year. An explanation is on our website or you can email us. For program information you can email Glyn, and for specific class information, you can email Julie.
